THROUGH : [REDACTED], DDS&T/Intelligence
Liaison Officer

SUBJECT : Invitation to Address the Chiefs of Station
Seminar No. 4-68

25X1A9a

1. As a follow-up to a telephone conversation held with your office by the Chief Instructor of the Chiefs of Station Seminar, Mr. [REDACTED], you are invited to speak before this group on Wednesday, 12 June 1968, from 1200 - 1300 hours, on the subject, "Science and the COS." It is assumed that your conference Room 6E60 will be available at this time.

2. As can be seen from the attached roster, there are thirteen students presently enrolled in the seminar, representing five Clandestine Services area divisions. The grades of the officers range from GS-12 to GS-16.

MEMORANDUM FOR: [REDACTED]

25X1A6a

SUBJECT : Utilization of [REDACTED] Facilities for a Portion of
COS Seminar No. 4-68

25X1A6a

25X1A6a

REFERENCE : Memorandum Regarding Utilization of [REDACTED] Facilities for
a Portion of COS Seminar No. 3-68, dated 25 March 1968

1. In recognition of the fact that spending the last two days of the first week of the COS Seminar [REDACTED] has facilitated the attainment of the objectives of this seminar, it is requested that these facilities again be made available to us. As a follow-up to our previous telephone conversation, we would like to confirm these arrangements and to outline present plans for your approval.

25X1A6a

2. The COS Seminar No. 4-68 will run from 10 - 21 June 1968, and we have scheduled the period from approximately 1730 hours on 12 June to 1600 hours on 14 June 1968 for our stay [REDACTED]. The detailed schedule for the two days to be spent [REDACTED] is included as Attachment A. A list of the thirteen officers enrolled as of this moment, with their grades, is included herewith as Attachment B.

3. A suggestion made by the [REDACTED] during the last seminar, concerning the scheduling of his introduction earlier in the program, has been included. Since most of the class will have become acquainted indirectly with [REDACTED] during the course of the evening, it seems more appropriate to have the [REDACTED] introduction the first evening. This is now scheduled for 1900 hours on 12 June. Since the introduction will be followed by an evening discussion session with Mr. [REDACTED], it can be held in the Art Room.

4. With regard to the presentation on security, the complicated system of classroom use will be repeated this time. The first two hours on 13 June 1968 will be held in the [REDACTED] Headquarters Building; from 1115 to 1215, we will adjourn to the Gymnasium for an equipment display; and we will reconvene after lunch in the Headquarters Building for the final segment on security, including a presentation by [REDACTED]. In spite of the fact that this system seems complicated, it has been found to permit smooth and efficient operation.

5. It has been decided to make the Commo HQD Installation tour at the beginning of the morning of 14 June. Questions which arise in students' minds can thereby be answered during the formal presentation afterwards. Additionally, since the subject of Short Range Agent Communications is being researched by both the Office of Communications and TSD, we are setting aside an hour following lunch in which TSD can present its findings in this field. This hour will be held in the Art Room, just prior to the Audio Management presentation.

6. We will need a projectionist for the following films:

7. In order to inject more informal evening group discussions into the schedule, with a speaker leading the session, I have arranged for Mr. [REDACTED] to be present the evening of 12 June 1968. He will not be able to arrive in time for dinner, but he plans to be present in time for the 1930 open-end discussion which will follow the Commandant's introduction in the Art Room, from which location we will eventually adjourn to the Bar. Mr. [REDACTED] will spend the night and probably take breakfast before departure on 13 June. On the night of 13 June 1968, the Records Management Group of four persons will remain for the cocktail hour, dinner and will spend the night in order to have follow-up informal discussions with the students.

8. As on previous visits to [REDACTED], the students will be advised in advance to provide their own bottles and we will depend on [REDACTED] to furnish the set-ups, reimbursement for which will be made by the class.

9. In conclusion, I wish once again to thank you for your cooperation in making the [REDACTED] visit a fruitful one for the COS Seminar group. I am certain that the June visit will be even more useful. Any questions which may arise prior to our arrival can be answered by calling me on extension 3396 at 1000 Glebe Road.
